*An NSF Fee is assessed each time an item is presented against insufficient funds and is returned to the payee. The payee (or the payee's institution) may re-present a previously returned item. Each presentation against insufficient funds will result in a separate NSF Fee. We will charge an Overdraft Fee or NSF Fee regardless of the number of times an item is presented to us for payment against insufficient funds, and regardless of whether we pay or return the item.

** An Overdraft Fee is assessed for each overdraft created by check, ACH, Point-of-Sale, ATM withdrawal, in-person withdrawal, or other electronic item that is presented or re-presented against insufficient funds and paid.
